

## **REMARKS**

Applicant would like to thank the Examiner for the careful consideration given the present application. The application has been carefully reviewed in light of the Office action, and amended as necessary to place the application in a condition for allowance.

More specifically, in the Office action 30-43, 64-68, 72, and 74-82 were allowed, and claims 52-59 and 63 were indicated as containing allowable subject matter. Claims 51, 61, 69, and 70 were rejected.

In response, claim 51 has been amended to include the features of allowable claim 52, and claim 52 has been cancelled. Accordingly, claims 51 and 53-59 are considered to be allowable. Similarly, claim 63 was rewritten in independent format, and is considered to now be in an allowable condition. Claims 69-70 have been cancelled. Claims 35 and 68 have been amended to correct minor formal errors. Accordingly, the claims are now all in a condition that the Examiner has indicated as being allowable.

In light of the foregoing, it is respectfully submitted that the present application is in a condition for allowance and notice to that effect is hereby requested. If it is determined that the application is not in a condition for allowance, the Examiner is invited to initiate a telephone interview with the undersigned attorney to expedite prosecution of the present application.

If there are any additional fees resulting from this communication, please charge same to our Deposit Account No. 18-0160, our Order No. WLF-15846.

Respectfully submitted,
